Terms & Conditions:

- * Customer will have to produce warranty card and the bill copy to avail the warranty.
- * If the customer has any problem related to the product service or after service, they should directly communicate with the service centre, not the service engineer.
- * If installation is done by an unauthorized person, any complaint related to the installation will be treated as a new installation and charges will apply.
- * If the product cannot be repaired on site, the customer must take it to a service centre for repair at their own risk.
- * Our engineers do not bring the product to the service centre. If the customer gives it to them without informing the service centre, the centre is not responsible.
- * For any queries regarding the service, contact the service centre directly and provide this service receipt information at the time of contact.
